Abbotsford Middle Soccer Academy

Student Expectations:

Students need to keep in mind that to be part of this program is a privilege and positive behavior and respect should be modeled at all times at school, on the way to and from the field, as well as on the field. Reinforcement of this basic principle will be adhered to at all times. In order to continue in the soccer academy, each athlete must continue to be a student in 'good standing' in relation to their academics and behavior at Abbotsford Middle School.

At School

- Being responsible for your academics, behavior and time management will ensure a successful year.
- To be an ambassador for the Abbotsford Middle School Soccer Academy off the field.
- Personal accountability and leadership demonstrated by each individual in all situations.

Training

- Be punctual and ready to start each session on time dressed in the academy kit.

As a member of the Abbotsford Middle Soccer Academy I agree to the expectations as stated above.

I will ensure I try my best to follow these expectations so we can have a successful academy. I am aware that if I don't follow these expectations there will be consequences that may include loss of training time or expulsion from the program.
