Admission Policy 2026-2027

Abbotsford Middle School, a public school in Abbotsford and welcomes all students living in catchment. “Most often, students attend their neighbourhood catchment school, which is determined by the address of their primary home address” (Abbotsford School District). The school locator can be used to determine your catchment school.

Abbotsford Middle School is a vibrant learning community that nurtures student self-esteem through support and encouragement. All students enrolled at Abbotsford Middle School are enrolled in the International Baccalaureate Middle Years Program (MYP) from Grade 6 through 8. There is no admission test or fee to complete this programme. The language of instruction is English, and students within the MYP are enrolled in French as a second language of study for the three years of the programme.

Abbotsford Middle School is committed to creating a supportive, caring and inclusive school community that embodies the IB learner profile. We challenge students through inquiry-based learning which is reinforced by a highly supportive school community. We respect, celebrate, and understand the differences in our school as we truly represent the cultural mosaic of our international society. Our aim is to develop balanced students who excel to the best of their ability by offering diverse programs to inspire our students’ interest and love for learning. At the core of our school is service where we encourage students to become active in the world, one positive action at a time.
